2. Save Birds This Summer-

Birds need our help way more in the summer months than at any other time during the year. For sparrows, pigeons, parrots and crows feeding stations at house provide a real life line. Lets initiate saving these birds during the heat of the summers by following the steps given below-

- a) Feed the birds with bird seed(bajra)/ cooked vegetable/ grinded cheese but avoid salty food or bread as this can be bad for birds.
- b) Provide them fresh water everyday.
- c) Clean the water feature/ feeder regularly. Rinse and let dry before refilling.
- d) Try to make bird suet/cage and hang it in the shade to attract a varied flock of feathered friends.
- e) Click the pictures and show us what you did. Make a collage and write about your experience of doing this noble deed of helping the bird population this summer.

My Writing Book: We all resolve to do a lot in our lives but are able to achieve a little. In first ten days of your vacation make a list of works you intend to do/goals you have set for yourself (at least 7) for summer vacation. In last 10 days check the list again and find how much you have succeeded in achieving your set goals. Make a list of reasons why were you unable to fulfill certain aims or complete certain task.

Activity First Aid Box: It is important to have a well stocked first aid kit kept within easy reach. It is a necessity in every home. Having supplies gathered ahead of time will help you handle on emergency at moment's notice. Now, make your own first aid box, stock your first aid kit with necessary items. Make sure you know the function/usage of each item kept in the kit. Bring your first aid box kit to school in the month of July (specific date will be given). 'The Best one will be rewarded'.

NOTE: Revise the lessons of all the subjects, already done in class. Self study other lessons as per the syllabus. Prepare well for Term-I Examination.
