1. Save Birds This Summer-

Birds need our help way more in the summer months than at any other time during the year. For sparrows, pigeons, parrots and crows feeding stations at house provide a real life line. Lets initiate saving these birds during the heat of the summers by following the steps given below-

- a) Feed the birds with bird seed(bajra)/ cooked vegetable/ grinded cheese but avoid salty food or bread as this can be bad for birds.
- b) Provide them fresh water everyday.
- c) Clean the water feature/ feeder regularly. Rinse and let dry before refilling.
- d) Try to make bird suet/cage and hang it in the shade to attract a varied flock of feathered friends.
- e) Click the pictures and show us what you did. Make a collage and write about your experience of doing this noble deed of helping the bird population this summer.

My Writing Book: The key to success in creative writing is regular practice. Here's an opportunity to write about your feelings, thoughts and experiences. Share them and pen down your thoughts in about 50-80 words. You are witnessing the crucial years of your life. The steps taken by you now will help in laying a strong foundation of success in future. At this stage you have numerous dreams as well as conflicts in your mind. Make a list of your plans i.e. what you intend to achieve / where do you see yourself in next 10 years and make another list of the qualities that according to you are required to achieve your goals.

Activity First Aid Box: It is important to have a well stocked first aid kit kept within easy reach. It is a necessity in every home. Having supplies gathered ahead of time will help you handle on emergency at moment's notice. Now, make your own first aid box, stock your first aid kit with necessary items. Make sure you know the function/usage of each item kept in the kit. Bring your first aid box kit to school in the month of July (specific date will be given). 'The Best one will be rewarded'.

NOTE: Revise the lessons of all the subjects, already done in class. Self study other lessons as per the syllabus. Prepare well for Term-I Examination.
