

Summer Holidays Homework – 2025

Instructions:

1. Students must do the homework themselves independently. Parents should only guide their wards. Let them put their thinking caps and get their imagination going.
2. Learn and practice the topics already covered in class.
3. Holidays homework should be authentic creative work of the students.

S.	Subject	Class - VIII
1.	English	<p>(To be done in English Literature notebook)</p> <p>1. In the modern global world neither human beings nor subjects and knowledge exist in isolation. Various subjects have overlapping territories. Let us use our summer vacations to explore the overlapping of English with other subjects and integrate it.
